Brrrrring, Brrriing!

Hamilton ▪ Kitchener

I saw this on **New Years Day** during a run, so I ran to my house, and took this photo...just for you! (and me too :-))

Jan. 29 Wednesday, 10pm: **Ginger St. James** is like a bull-whip and a spitfire, and is as charming as they get. She started up a **Wednesday night residency** in my neighborhood and asks friends in each week to feature. It's kinda kitchen party style ... so bring rubber gloves. **Corktown Pub**, **FREE** show, \$11.50 mini-pitchers <http://www.corktownpub.ca/> (Hamilton)

Feb. 2 Sunday, 2pm-2am: **Bands for Boobs**. A 12 hour-benefit show for Rae-Lyne Mudryk. **Ginger St. James** has put this show together in support of a friend with the Big C. **Lori Yates, Tim Gibbons, Dan Walsh, Harrison Kennedy, Nicole Christian**, and many, many more. *The Casbah*, \$20. <https://www.facebook.com/events/224153431086592/?fref=ts> (Hamilton)

Jan. 25 Saturday, 9pm: I played a show with **Kyp Harness** back in October, and instantly dug on his songs. Come here me open for him, and find out why he's **Ron Sexsmith's** favourite songwriter.

Little Bean Coffee Bar, \$Not sure what cover is (Kitchener) <http://littlebeancoffeebar.com/>

Feb. 6 Thursday, 9pm: If you're into songwriter-in-the-rounds like I am, this is one show you don't want to miss. Me, **Chris Altmann** (Hamilton) and **Shawn Clarke** (Toronto) are going to tell you stories and sing you songs all evening long. *Home-grown Hamilton*, \$6 <https://www.facebook.com/events/1413028795605394/> (Hamilton)
